Connecting to VPN
Enter your Emerson College username and password.
Check your phone for a Push or Call
Select and download the appropriate software by clicking on the link.
Install the software.
On the GlobalProtect screen enter portal address vpn.emerson.edu
Enter your Emerson username and password then hit Sign In (View next page now)
Check your phone for a Duo Push or Call

Your phone may receive up to 2 Push notifications or calls. Accept both.
To reconnect to the VPN at any point right-click the globe icon and hit “Connect”.

Immediately then check your phone for 2 push notifications or calls.
If you run into any difficulty please contact the Help Desk by emailing helpdesk@emerson.edu
